The incident which came under my notice was as follows:

WHEN: During the 10th minute of the second half of this match,
WHERE: and within the centre circle, I had occasion to speak to Mr A. Player and an opponent when they exchanged words with each other after they had been involved in a tussle for the ball. Shortly after that, Mr A. Player launched a ferocious tackle on the same opponent whilst he was in possession of the ball, within the arc outside of Team "A"'s Penalty area.
